

Find a VM Professional

SAVE International's Consultant Directory is the best place to find a VM consultant. The directory is searchable by company, contact name, location, business type, and service.

Be a Value Team Member

Are you available to serve on a value study team? VM consultants use the SAVE International Consultant Directory to find value study team members and support services.

Who is listed?

SAVE International's Consultant Directory accepts paid listings from members, affiliates, and others wishing to promote their professional services to VM clients and VM consultants. The Consultant Directory is a paid listing for the promotion of VM services.

Why list my business?

SAVE International's Consultant Directory is used by VM clients and practitioners worldwide as a primary resource for locating VM consultants, instructors, and value study team members. The directory is highly promoted, accessible, and searchable on SAVE International's website. It is also available as a PDF document download.

Directory patrons may customize their listings. PDF advertisement content may be changed up to four scheduled times during the issue year. Digital advertisements may be changed at any time.

The Consultant Directory serves as YOUR business' most economical advertising venue.

Advertisements

SAVE International offers several improved flexible advertising options.

Web-Based Advertisement

Directory advertisers may order web-based graphics to accompany their listings. Thumbnail graphics will appear alongside directory listings. Upon selection of a specific consultant listing, the graphic will display alongside the consultant's information.

Online Logo Displays

Online logo displays will be shown on SAVE International's home page and the consultant directory web page. Graphics must be submitted in JPG or GIF format.

Traditional Print-Style Advertisement

The directory is designed and formatted as a PDF document for easy downloading and printing on letter size paper. Advertisers choosing traditional print-style advertisements may change their advertisement content up to four times as scheduled within the issue year. **Print-style advertisements will only be accepted through February 2008.**

If you are placing a traditional print-style advertisement, check the size ordered:

- Whole page (H 10-in. X W 7.5-in.)
- Half Page Vertical (H 10-in. X W 3.75-in.)
- Half Page Horizontal (H 5-in. X W 7.5-in.)
- Quarter Page (H 5-in. X W 3.75-in.)

Artwork Requirements

Artwork for all advertisements must be submitted electronically. Artwork for web-based display must be in either JPG or GIF format. Submit artwork for traditional print style advertisements in JPG, PDF, EPS, AI, or PSD format. Artwork may be full color or monochrome.
